An elegant solution: M 1497 and M 1497-H

Whether as a wallwasher with a delicate holding arm or as a ceiling light suspended from thin steel cables – this luminaire takes a back seat and draws attention to your product.

The design is as impressive as the technical values: 16 or 32 high-power LEDs provide shadow-free illumination and 5700 K for a neutral light color. The brightness can be adjusted with an optional dimmer.

◄ Wallwasher/Hanging Lamp

Technical Features

Simple design – high performance!

The hanging lamp blends in seamlessly with the overall picture. This is made possible by the clean design and delicate suspension. With its simple plug-and-play solution, uniform illumination and high-quality materials, the M 1497-H is the perfect package.

Wallwasher/Hanging Lamp

elegant aluminium finish / for system groove or suspended from ceiling / high-quality LEDs / neutral light color

Wallwasher LED / 28 W / 230 V

M 1497.33

Aluminium, black | for uniform illumination of 1000 mm width and 2500 mm height (5700 Kelvin > Cri 90, 3600 lm, 28 W, 125 lm/W), for 230 V power source, for system groove 4.3 mm, space-saving and securely packed, with 16 high-power LEDs, PSU incl. cable (500 mm to lamp and 2500 mm from power supply)

2.041 kg | L 812 × W 166 × H 263 mm

black .33

available in

silver .31,

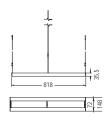

Hanging lamp LED / 56 W / 230 V

M 1497-H.33

Aluminium, black | for a homogenous illumination in 5700K > Cri 90, with 32 highpower LEDs, 7200 lm, 56 W, 128 lm/W, for 230 V, incl. 3.5 m wire rope with 2 × Reutlinger wire rope holders to adjust height, 2 × plastic end caps black, 1 × power supply unit incl. DC distributor, 3 m extension cable with DC connector

2.49 kg | L 812 \times W 150 \times H 35 mm

available in silver .31, black .33

without connecting cable M 1494-xxxx

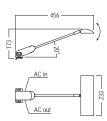

Long-arm Floodlight LED / 25W

M 1494.33

Aluminium, black | for swivel mounting in system groove, incl. adapter plate and connection cable 3 m, 25 W, 2500 lm, 4000 K, voltage input: 100-240 VAC, voltage output: 27-35 VDC, color rendering index: 80+ CRI, beam angle: 120°

0.76 kg | L 490 × W 232 × H 40 mm

尽 Wallwasher/Hanging Lamp

◄ Pendant Light

Technical Features

The full RGB color space is accessible via remote control.

Versatile: the perfect combination of design and function.

From soft lighting to energetic eye-catchers – the OL 3100, OL 3200 and OL 3300 pendant lights add a special touch to any presentation area. With a click of the remote control, the LEDs light up in the entire RGB color spectrum, always uniformly illuminated thanks to the integrated COB LEDs, and always perfectly coordinated with your corporate design.

The pendant light comes in three different lengths (1000, 2000 and 3000 mm). Special lengths are available upon request.

9.88 kg L 3000 × W 80 × H 80 mm

7 Pendant Light

7 Circular Lamp

Technical Features

Cabling runs invisibly up through the suspension.

With an extrusion depth of only 40 mm, the OL 480 circular lamp has an impressive light output of 9000 lm. Thanks to the full-surface LED backlighting, the luminous flux is focused on the surface of the fabric. The result: maximum luminous efficiency, uniform illumination and a neutral light color of 6500 K.

Circular Lamp

elegant aluminium finish / suspended or ceiling-mounted / high-quality LEDs / for seamless fabric graphics

Circular lamp ø 1000 mm for seamless graphics

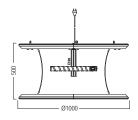

OL 440.01

 $\begin{array}{l} \textbf{Aluminium} \mid 1 \times \text{ceiling lamp, for seamless graphics,} \\ \text{LED modules and LED power supply unit mounted} \\ \text{(6500 K, 9860 lm, 140 W), incl. cable with Schuko plug} \\ \end{array}$

without fabric/graphics

11 kg | L 1000 × W 1000 × H 500 mm

Circular lamp Ø 2000 mm for seamless graphics

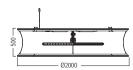

OL 450.01

 $\begin{array}{l} \textbf{Aluminium} \mid 1 \times \text{ceiling lamp, for seamless graphics,} \\ \text{LED modules and LED power supply unit mounted} \\ \text{(6500 K, 16320 lm, 230 W), incl. cable with Schuko plug} \\ \end{array}$

without fabric/graphics

21 kg | L 2000 \times W 2000 \times H 500 mm

Circular lamp Ø 3000 mm for seamless graphics

OL 460.01

 $\begin{array}{l} \textbf{Aluminium} \mid 1 \times \text{ceiling lamp, for seamless graphics,} \\ \text{LED modules and LED power supply unit mounted} \\ \text{(6500 K, 40800 lm, 576 W), incl. cable with Schuko plug} \\ \end{array}$

without fabric/graphics

37 kg | L 3000 × W 3000 × H 500 mm

Circular lamp Ø 800 mm ceiling-mounted

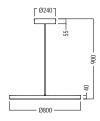

OL 480.23

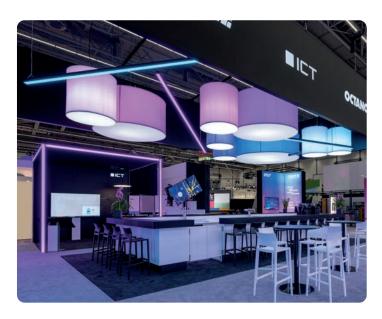

Aluminium, black | 1 × round ceiling lamp of M 1930 black with suspension, minimalistic extrusion edges for maximum usable area, aluminium composite panel with LEDs for backlighting, LED module and PSU preinstalled, luminous color: 6500, electric power: 99,5 W, luminous intensity: 900 lm, incl. 1 × cable with Schuko plug and 1 × white fabric without graphic

without graphics

9.8 kg | L 800 × W 800 × H 40 mm

7 Circular Lamp

Effective from a distance and from all sides.

With up to five illuminated sides and a maximum edge length of 2500 mm, the illuminated cubes create a highly impressive long-distance effect. The specially arranged fabric grooves make the extrusion edge almost invisible, giving the impression that the fabric motif runs continuously around the entire illuminated cube. And there is more: The underside can be used for advertising or as an illuminated ceiling.

Thanks to their light weight, even large cubes can be suspended from the ceiling without any problems. Since each cube is custom made, any edge length can be selected up to a maximum of 2500 mm.

7 Illuminated Cube Technical Features Any size perfectly illuminated. The use of multiple light sources ensures uniform illumination and high luminosity regardless of size. The high quality LEDs are specially adapted to the illuminated cubes and are extremely durable and bright.

Illuminated Cube

elegant aluminium finish / suspended from ceiling / high-quality LEDs / can be fully covered with fabric graphics

Cube custom size

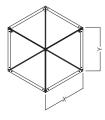

OL 690.01

Aluminium | cube solution for ceiling suspension (depending on size), optional with lighting element OL 675 (straight), OL 670 (T-shaped) or OL 680 (cone-shaped), up to 2500 mm edge length

without fabric/graphics

Custom size: please specify dimensions in your order

Maximum edge length for cubes is 2500 mm.

Illumination element straight (3400 lm / 40 W) 4-sides illuminated

OL 675.90

Aluminium | Straight illumination element, made of extrusion M 1201, for 4-sided illumination of cubes with 1000 mm height, 6500 K, incl. LED strips and cable connection

1 kg | L 40 × W 40 × H 850 mm

PSU and Z 460 extrusion not included

Illumination element T-form (3400 lm / 40 W) 5-sides illuminated

OL 670.90

OL 680.90

Aluminium | T-shaped illumination element, made of extrusion M 1201, for 5-sided illumination of cubes with 1000 mm height, 6500 K, incl. LED strips and cable connection

1.1 kg | L 300 \times W 50 \times H 602 mm

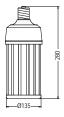

PSU and Z 460 extrusion not included

Illumination element cone (19780 lm / 12 W) for cube > 150 cm

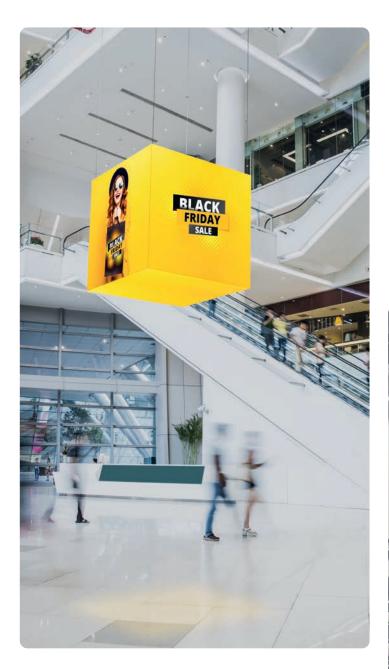

Plastic | for cubes with edge lengths bigger than 150 cm, complete with bulb fitting and connecting cable, voltage: 100-230 V AV, output: 120 W, IP64, 15600 lm, bulb fitting: E40

1.8 kg | L 135 × W 140 × H 280 mm

Only to be installed by expert staff
