

OCTA LUX

STRUCTURE
SETS

OCTALUX IN THE BOX: ATTRACTIVE. INDIVIDUAL. COLORFUL. READY FOR ANY EVENT.

OCTAlux in the box!

Four beams and four uprights - that's all you need for this eye-catching installation. Quick and easy to set up, the stand can be uniformly illuminated in one color, or the beams and uprights can be addressed separately by remote control. Always customized to corporate colors or design concept. The system also offers a dynamic mode for those who do not want to commit to a single color.

With 4 additional beams, the set can be expanded to form a cube.

Use the remote control to change the colors to match your design concept.

All in one place: 3 sizes packed in one transport case.

OCTALux Structure Kits are available in three sizes: $2 \times 2 \times 2$ m, $2 \times 2 \times 2.5$ m, and $3 \times 3 \times 3$ m (L $\times$ W $\times$ H). With the addition of four optional beams, the sets can be expanded to form a cube. All packed in a space-saving transport case.

Back wall, light frame, monitor? Ready for any event!

These sets offer a great deal of creative freedom and are adaptable to any project thanks to their compatibility with other OCTANORM systems: OCTAlumina illuminated frames for backlit fabric graphics, OCTAwall pro frames for monitors, shelving and fabric-covered walls, or Maxima extrusions for new constructions.

OCTALUX

STRUCTURE SETS

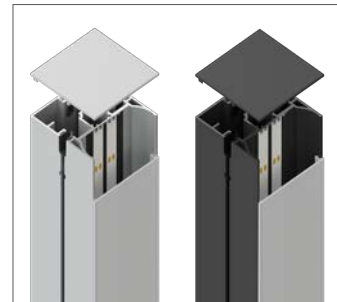

COMPACT PACKAGING: STATE-OF-THE-ART TECHNOLOGY HIGH QUALITY MATERIALS

OCTALux assembles quickly and stores compactly.

For quick installation, the aluminium extrusions are not only extremely lightweight, but also completely pre-assembled and safely stored in the transport case. High-quality COB LEDs and a light-diffusing extrusion cover ensure uniform illumination of the entire construction.

Advantage:

- quick assembly
- sturdy and durable aluminium structure
- high quality COB (chip-on-board) LEDs in individually adjustable RGB colors
- can be combined with other OCTANORM systems
- transport case included

Extrusions are available in black and silver. Other RAL colors on request.

Colors can be adjusted by remote control.

The complete set is stored in one case to save space.

Corners are fully illuminated.

TECHNICAL FEATURES

OCTAlux Structure Sets

OCTALUX STRUCTURE SET L 2000 × W 2000 × H 2000 MM

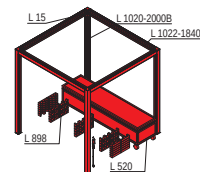

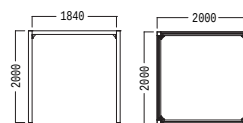

available in
.01 silver and
.03 black

L 2020

Aluminium I

4 × upright L 1020-2000B, 4 × beam L 1024-1840B, 4 × corner reinforcement, 3-part L 15, 1 × RGB remote control L 185-2, 1 × power cable L 204, 1 × mounting tool E 13, 1 × transport box L 520, 54 × foam pad L 898

97 kg | L 2000 × W 2000 × H 2000 mm

OCTALUX STRUCTURE SET L 2000 × W 2000 × H 2500 MM

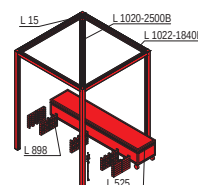

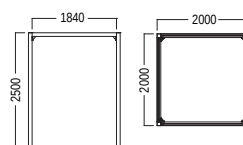

available in
.01 silver and
.03 black

L 2520

Aluminium I

4 × upright L 1020-2500B, 4 × beam L 1022-1840B, 4 × corner reinforcement, 3-part L 15, 1 × RGB remote control L 185-2, 1 × power cable L 204, 1 × mounting tool E 13, 1 × transport box L 525, 54 × foam pad L 898

113 kg | L 2000 × W 2000 × H 2500 mm

OCTALUX STRUCTURE SET L 3000 × W 3000 × H 3000 MM

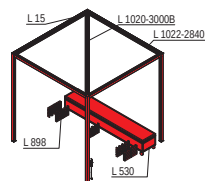

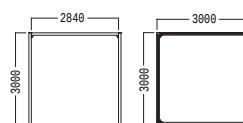

available in
.01 silver and
.03 black

L 3030

Aluminium I

4 × upright L 1020-3000B, 4 × beam L 1022-2840B, 4 × corner reinforcement, 3-part L 15, 1 × RGB remote control L 185-2, 1 × power cable L 204, 1 × mounting tool E 13, 1 × transport box L 530, 54 × foam pad L 898

138 kg | L 3000 × W 3000 × H 3500 mm

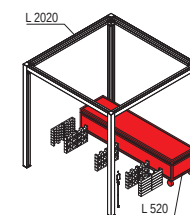

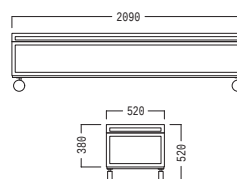

TRANSPORT BOX FOR L 2020

L 520.01

Aluminium I

7 mm plywood, film/film, dark brown phenolic film, no claim to colour shade, 2 × folding handle, 2 × butterfly catch, lid with foam lining, 4 × swivel castor with stop, internal dimensions: L 2050 × W 480 × H 360 mm

43.5 kg | L 2090 × W 520 × H 520 mm

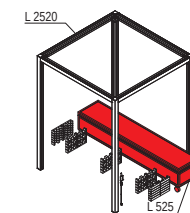

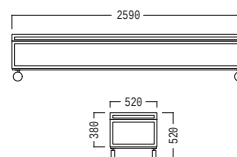

TRANSPORT BOX FOR L 2520

L 525.01

Aluminium I

7 mm plywood, film/film, dark brown phenolic film, no claim to colour shade, 2 × folding handle, 2 × butterfly catch, lid with foam lining, 4 × swivel castor with stop, internal dimensions: L 2550 × W 480 × H 360 mm

54 kg | L 2590 × W 520 × H 520 mm
